

MHQ-0243

IATA SAFETY AUDIT FOR GROUND OPERATIONS (ISAGO) ISAGO REGISTRATION

Baltic Ground Services

Vilnius, Lithuania

This certificate is confirmation of the closure of the ISAGO Audit for ISAGO registration purposes at the captioned headquarters in accordance with the requirements of the ISAGO Program Manual Edition 1.

The ISAGO Audit and this ISAGO Registration means that the ground service provider at the captioned headquarters was able to demonstrate conformity with the applicable ISAGO Standards and Recommended Practices as specified in the ISAGO Ground Operations Manual Edition 7 for the following ground operations disciplines:

Organization and Management (ORM)
Load Control (LOD)
Passenger and Baggage Handling (PAB)
Aircraft Handling and Loading (HDL)
Aircraft Ground Movement (AGM)

This ISAGO Registration is, subject to the requirements of the ISAGO Program Manual Edition 1, valid until 4 November 2021.

Gilberto López Meyer
Senior Vice President
Safety & Flight Operations
International Air Transport Association
